

MGG Investment Group Supports Investment in United Medical Systems

NEW YORK – MGG Investment Group LP (“MGG”) today announced that it has made a debt and equity investment through one or more managed vehicles to support Access & Integrated Practice Holdings’ acquisition of United Medical Systems Inc. (“UMS”), a national provider of premier transportable and in-house urology solutions to hospitals, surgery centers, and offices. Terms of the transaction were not disclosed.

Access & Integrated Practice Holdings is a comprehensive mobile medical services platform formed by MGG in 2022 following its investment in Sightpath Medical (“Sightpath”), a leading provider of mobile ophthalmic services for cataract and refractive surgery. Under the Access & Integrated Practice Holdings umbrella, UMS and Sightpath will retain their respective brands and continue to be led by their existing management teams.

ABOUT UNITED MEDICAL SYSTEMS

United Medical Systems (UMS) provides advanced mobile urology services to hospitals, surgery centers and offices across the country. UMS’s unique transportable platform offers the appearance of a full-time, in-house program, without incurring the cost and burden associated with a fixed program. The company’s proficient clinical and service teams promote and ensure a superior experience for patients, physicians and medical facility staff.
